Revised Spring 2017

The primary goal of St. Stephen Cemetery is to provide a dignified burial place for the faithful departed. We offer services and facilities in harmony with the teaching of the Church, and show a degree of care that reflects the spiritual values inherent in the tradition of Catholic burial.

Guidelines are designed for the express purpose of governing the activities in the cemetery for the mutual protection and benefit of the lot holder and the cemetery as a whole. They are established with certain restrictions to ensure uniformity and control within the cemetery grounds. These guidelines are not intended to be restraining or all inclusive, but rather to define an orderly plan of operation, care and permanent maintenance.

These provisions may be amended by St. Stephen Cemetery at any time. Your cooperation is appreciated.

### SPECIFIC GUIDELINES

1. The purchaser of a plot in the cemetery does not acquire the property itself, but only the "right of burial".
2. No interment will be permitted in the cemetery, or rights acquired by the purchaser, until such time that the full payment has been received.
3. The interment fee is separate and distinct from the purchase of the "right of burial". This fee must be paid in full prior to the interment.
4. Graves, crypts and niches may be used for the burial of human remains only.
5. Assignment or transfer of any right of burial will at all times be subject to the guidelines of St. Stephen Cemetery. No right or interest therein will be transferred or assigned without the consent of St. Stephen Cemetery. A notarized statement indicating permission of the original purchaser and/or his/her heir(s) is required.

### MEMORIALIZATION

1. Monuments or markers may only be ordered by the owner of the lot or with the owner's permission. Monuments or markers may be placed only after St. Stephen Cemetery has received payment in full for the lot.
2. All monuments/markers must have the proper foundation, which will be installed by St. Stephen Cemetery.
3. All monuments will be approved by St. Stephen Cemetery after a drawing is submitted from the monument company.
4. In keeping with Christian ideals, a Christian character or emblem should be the main feature on all memorials. Prayers and Epitaphs of a positive nature, may be permitted with cemetery approval, and must be of limited wording.
5. All monuments/markers are to be kept in a safe and proper state of repair by the owner, his/her heirs, or assignees.
