

## **INVITING ALL PRESCHOOLER'S TO COME VISIT GOD'S GARDEN**

Are you a parent, grandparent or caregiver of a child from the age of two (by 12/31/17) to those in Kindergarten? Do you know that St. Stephen's Religious Education Department offers an age appropriate religion class for your child during both the 9:00am and 11:00am mass?

We would love to have your child be a part of our class. We listen to bible stories, color lesson related pictures, make crafts, sing songs and start to build community as members of St. Stephen's parish.

As a team we can plant and nourish the seeds of our faith in these young children.

Classes are held from September until Mother's Day. We will accept children after September. For more information Please call Angela Diebold at the Religious Education Department, 773-2002.
